MEMORANDUM

February 16, 2011

TO: Women's Lacrosse Head Coaches and Officials.

FROM: Danie Caro, chair
NCAA Women's Lacrosse Rules Committee

Pat Dillon, secretary-rules editor
NCAA Women's Lacrosse Rules Committee.

SUBJECT: Carding/Score Verification Form – New Procedure.

Attached you will find the NCAA Women's Lacrosse Carding/Score Verification Form (http://fs.ncaa.org/Docs/rules/wlacrosse/2011cardformfinal.pdf) that will be used for the 2011 season. We ask that each team use this form at each home game. It should be filled out and ready for the officials to verify and sign at the end of the game. Please note that we have made some changes in what data is reported this year. We would like to gather cumulative carding data by category rather than by individual player. For instance, if Team A receives 3 yellow cards for the game we want to know that 2 of those cards were for checks to the head and 1 of the cards was for a slash. Team B receives 2 cards – 1 for a cross check and 1 for a dangerous follow through. You will also be asked to report when no cards were received in a category.

In addition to changing what data is being reported, the Committee has changed how the information will be transmitted. Our hope is that it will be less time consuming this year and that the data can be submitted at the same time other statistical data is being reported to the NCAA. At the bottom of the form there is a link that will allow online reporting using a Zoomerang survey (http://www.zoomerang.com/Survey/WEB22BUAUQM7ZT). The collection of this more detailed carding data will provide the NCAA Women's Lacrosse Rules Committee with important information and allow us to monitor trends and make more informed rules change decisions. We welcome any suggestions on how we might change the reporting process to make it easier and more efficient for you.

NOTE to any team that has submitted information to the SRE using last year's form and procedures – thank you for your diligence in getting that information to us. You do not have to resubmit that information.

Coaches, please be sure your Sports Information contact person is aware of the new form and reporting procedures and that they are reporting information for each of your home games. Officials, please be sure that each home team has this form available for you to sign at the end of each game. Any questions about how to complete and submit the form should be directed to Pat Dillon at pdillon656@aol.com.
