US Lacrosse Coaching Education Program Continuing Education Opportunities
for Level 1 and 2 Men's Game Certified Coaches
National Convention 2012, January 13, 14, and 15, Philadelphia, PA

- These sessions have been specially selected to augment the core curriculum that certified coaches have completed and to address immediate coaching issues that face the game today.
- US Lacrosse CEP certified coaches who attend at least four opportunities receive one bonus CEO credit-hour for a total of five credits. Each opportunity is worth one CEO credit.
- Please note that regardless of whether you are Level 1 or Level 2 certified; you may attend whichever Level session will help you the most when a choice of levels is available. Your certification level may not reflect the needs of your athletes this season, so please choose what will be best for you.
- Make sure you have your badge scanned by a CEP representative after each session.
