While there is no financial responsibility placed on FS teams in year 1, it is understood that each team will register their players and coaches as USL members and require the head coach to become Level 1 certified within the first year of the partnership. The team is also responsible for any US Lacrosse National Convention expenses that exceed the amount of the travel stipend.

In Year 2, it is understood that each team will require memberships for their players at a discounted rate of $10 per player and $25 per coach. The team is also responsible for any US Lacrosse National Convention expenses that exceed the amount of the travel stipend.
