US Lacrosse Chapter Newsletter - June 2009

2008 IRS 990 Filing Deadline Has Passed

The deadline to file, unless you requested an extension, was May 15. Therefore, US Lacrosse should have a copy of your return in office. If you filed for an extension, your return is now due on August 15. Therefore, US Lacrosse should have a copy of your return or the extension by August 31. If a second extension is filed, the return is due no later than November 15. Therefore, US Lacrosse should have a copy by November 30 with no additional extensions available.

Chapters who fall into the appropriate tax threshold must file a Form 990-EZ for 2008. If you fall below the threshold you must file an e-postcard (990-N). If you are unsure of your tax threshold refer to the Chapter Operations Manual page 15.
