

District Umpire Clinics
For Local Candidates who Aspire to Stand for a District Rating
U-15 National Championship Event
July 17-20, 2010
Orlando, Florida
Disney's Wide World of Sports Complex

The U-15 Championship Tournament is one of the most exciting weekends of summer lacrosse and a tremendous opportunity to learn or improve umpiring skills. This clinic is for officials looking to gain experience in three person mechanics, **note:** this clinic will not have a rating opportunity associated with it, however this clinic would count as a candidate's clinic should they choose to stand for their District rating within one year's time. Priority will be given to candidates from Super Region 4, specifically the Southeast and Deep South regions. The clinic will include classroom and field sessions. An emphasis of the clinic will be on learning and working in the three-person umpiring system.

The National rated clinicians for the clinic are committed to providing individual attention and personal feedback to help each participant improve upon their skills.
