Comments:

Cindy has been crucial to our success all year long, whether it is making the caused turnover when another team is threatening, or scoring the goal to stop the run. She is a major part of our midfield transition, and we want her to touch the ball at least once in each offensive set. She stabilizes both the offense and the defense and we can communicate offensive plays and defensive sets through her regularly. She has played the best in the big games, as evidenced in her three goals in the national semifinal and four critical ground balls in the championship game.
