Second-Goal Parent: Developing Winners in Life Through Sports

In Positive Coaching Alliance's new online Sports Parenting course, Phil Jackson, Doc Rivers, Summer Sanders and other top coaches and athletes train youth sports parents to focus on helping their children process the life lessons uniquely available through sports. This highly interactive workshop provides specific tips and techniques for parents to use in talking with their children on game day, developing a productive parent – coach relationship, and becoming effective and positive supporters in the stands. Upon completion of the course you will receive your Second-Goal Parent certification card.
